Townhouse 2969 Le Cannet

There are places that don't just shelter a life: they tell its story. This rare property, halfway between an apartment and a townhouse, perfectly embodies the spirit of Vieux Cannet : a place steeped in history, with a peaceful and authentic atmosphere. Carefully renovated in an old building divided into only three dwellings, this independent triplex offers the comfort of a house with the advantages of an apartment. Imagine your breakfasts on the large 51 m² terrace, sheltered from view, with a beautiful sea view and birdsong as a backdrop. Inside, each level reveals a unique atmosphere: a 49 m² living room bathed in light, three spacious bedrooms, and several bathrooms for the comfort of the whole family. Here, everything is designed to combine independence, space, and serenity, just a stone's throw from shops, schools, and transport. Village life with everything at your fingertips, in a sought-after residential setting. An exceptional property, to be visited without delay. MLS Property - Delegation of mandate
